WHERE & WHEN

uni-italia calendar
2022 - 2023

Uni-Italia, academic promotion Centre for study orientation in Italy, boosts the **Study in Italy** as a cornerstone of the national system.

In agreement with Ministries, consular diplomatic networks and Italian Institutions, Uni-Italia fosters the **Italian Higher Education System** by participating in and holding fairs and events on a global scale.

Since 2012, the **Italian Days on Higher Education - IDOHE** - have been organised in cooperation with the diplomatic networks in those countries where these events take place. During the two-year period 2020-2022, these events - promoting Italian education offerings - have been held in virtual mode, temporarily turned into **Virtual Italian Days on Higher Education - vIDOHE**.

When registered at events of other promoting bodies, we participate as guests with our own stand and, in some selected events, with an Italian Pavilion, whether those events are conceived in the form of networking, promotion for students, or in a third modality combining the two.
